Vertical saws

Manual

**All Vertical saws cut:
MDF, PVC, Foam,
Wood, Acrylic,
Aluminium board...**

**Electronic adjustment for start
cutting point and travel speed**

Electronic

Accessories

INTEC 2HP DUST COLLECTOR

Dust collector, with special design, suitable for all our vertical saws.

LASER FOR VERDI

A laser attachment (optional) makes easy the cutting alignment.

VERDI PNEUMATIC CUTTER FOR SOFT MATERIALS

The pneumatic cutter is an accessory (optional) for Verdi vertical saws useful to cut without effort and with high accuracy soft materials such as cartons, foam board, grey carton, etc. up to 20 mm thickness. A pneumatic presser clamps de sheet while the cutting head, with adjustable advancement speed, slides up-down.

ARM EXTENSION 1m

1 m extension attachment (optional) to cut easily oversized sheets of any material.
